Broadsword

Par Jethro Tull

Album : Broadsword and the Beast [2023 Steven Wilson Remix] (Disc 1)

I see a dark sail on the horizon

Set under a black cloud that hides the sun

Bring me my broadsword and clear understanding

Bring me my cross of gold as a talisman

Get up to the roundhouse on the cliff-top standing

Take women and children and bed them down

Bring me my broadsword and clear understanding

Bring me my cross of gold as a talisman

Bless with a hard heart and those who surround me

Bless the women and children, who firm our hands

Put our backs to the north wind, hold fast by the river

Sweet memories to drive us on for the motherland

I see a dark sail on the horizon

Set under a black cloud that hides the sun

So bring me my broadsword and clear understanding

Bring me my cross of gold as a talisman

So bring me my broadsword and a cross of gold as a talisman
