Up The 'Pool (2011 Remix)

Par Jethro Tull

Album : Still Living in the Past (2025)

I'm going up the 'pool

From down the smoke below

To taste me mum's jam sarnies

And see our Aunty Flo

The candyfloss salesman

Watches ladies in the sand

Down for a freaky weekend

In the hope that they'll be meeting

Mr. Universe

The iron tower smiles down

Upon the silver sea

And along the golden mile

They'll be swigging mugs of tea

The politicians there

Who've come to take the air

While posing for the daily press

Will look around and blame the mess

On Edward Bear

There'll be buckets, spades and bingo, cockles, mussels, rainy days

Seaweed and sand castles, icy waves

Deck chairs, rubber dinghies, old vests, braces dangling down

Sun-tanned stranded starfish in a daze

We're going up the 'pool

From down the smoke below

To taste me mum's jam sarnies

And see our Aunty Flo

The candy floss salesman

Watches ladies in the sand

Down for a freaky weekend

In the hope that they'll be meeting

Mr. Universe

There'll be buckets, spades and bingo, cockles, mussels, rainy days

Seaweed and sand castles, icy waves

Deck chairs, rubber dinghies, old vests, braces dangling down

Sun-tanned stranded starfish in a daze

Oh, Blackpool

Oh, Blackpool

(Yeah! Where's Black Velvet?)
