Rock 'n' Roll Dreams Come Through

Par Jim Steinman

Album : Classic Rock 1980-1981 [Disc 1]

You can't run away forever
But there's nothing wrong with
Getting a good head start
You wanna shut out the night
You wanna shut down the sun
You want to shut away
The pieces of a broken heart
Think of how we'll lay down together
We'd be listening to the radio
So loud and so strong
Every golden nugget coming
Like a gift of the gods
Someone must have blessed us
When he gave us those songs

I treasure your love

I never want to lose it

You've been through the fires of hell

And I know you've got the ashes to prove it

I treasure your love

I want to show you how to use it

You've been through a lot of pain in the dirt

And I know you've got the scars to prove it

Remember everything that I told you

And I'm telling you again that it's true

When you're alone and afraid

And you're completely amazed

To find there's nothing anybody can do

Keep on believing

And you'll discover baby

There's always something magic

There's always something new

And when you really, really need it the most

That's when rock and roll dreams

Come through

The beat is always new

And when you really really need it the most

That's when rock and roll dreams

Come through for you

I treasure your love

I never want to lose it

You've been through the fires of hell

And I know you've got the ashes to prove it

I treasure your love

I want to show you how to use it

You've been through a lot of pain in the dirt

And I know you've got the scars to prove it

Remember everything that I told you

And I'm telling you again that it's true

You're never alone cause you can put on the phones

And let the drummer tell your heart what to do

Keep on believing

And you'll discover baby

There's always something magic

There's always something new

And when you really, really need it the most

That's when rock and roll dreams

Come through

The beat is always new

And when you really really need it the most

That's when rock and roll dreams

Come through
