Stand Up and Fight Back

Par Jimmy Cliff

Album : Spirit That Unites (Live Old Roslyn '78)

Stand up and fight back,

You got nothing to lose.

Stand up and fight back,

You got nothing to lose.

You got nothing to lose,

To lose, to lose, to lose, to lose.

You got nothing to lose,

To lose, to lose, to lose, to lose.

Oneness is a reality,

Suppressed by evil mentality.

Your heart yearns for love,

And your mind cries for peace and happiness.

Stand up and fight back,

You got nothing to lose.

Stand up and fight back,

You got nothing to lose.

You got nothing to lose,

To lose, to lose, to lose, to lose.

You got nothing to lose,

To lose, to lose, to lose, to lose.

Ever since generations, they been saying it will change.

It will change, it will change, it will change, it will change,

But it never seems to change.

No matter how high the price you pay,

They're gonna say you're wrong any way.

People like a malignant cancer,

Oh how they shun the truth.

Stand up and fight back,

You got nothing to lose.

Stand up and fight back,

You got nothing to lose.

You got nothing to lose,

To lose, to lose, to lose, to lose.

You got nothing to lose,

To lose, to lose, to lose, to lose.

No matter what the people say,

Never, never, never run away.

You're the youth, you're the change, you're the new,

You're the one to free yourself.

Stand up and fight back,

You got nothing to lose.

Stand up and fight back,

You got nothing to lose.

You got nothing to lose,

To lose, to lose, to lose, to lose.

You got nothing to lose,

To lose, to lose, to lose, to lose.
