Hands Off

Par Jimmy Soul

Album : Frank Guida Presents: Jimmy Soul "If You Wanna Be Happy"

I met a little girl just the other night.

Now, boys let me tell you that girl's all right.

We fell in love right from the start.

On our very first date she stole my heart.

So, boys let me warn you, now I don't mean maybe.

Don't mess around cause she's my baby.

Hands off!

She's mine!

She's the number one girl in my little black book.

When she walks by all the boys give a look.

They can get at you but it's too late.

I'm sorry boys, she's my steady mate.

I'm warning you boys, leave her alone.

Don't even call her on the telephone.

Hands off!

She's mine!

Yeah, yeah, yeah, yeah, yeah!

Hands off boys, leave her alone.

Get another girl because she's my own.

Don't try to talk to her with fancy talk.

She's my girl, so just get lost.

She wears nice clothes, she's a real good dancer.

On top of that she's a real great romancer.

I made her mine and mine she'll stay, yeah.

Now, I won't let anybody take her away.

I've told you now so you'll know better.

She's my girl and I'm her better.

Hands off!

She's mine!

Yeah, yeah, yeah!

Yeah, yeah, yeah!

Yeah, yeah, yeah, yeah!

Yeah, yeah, yeah!

Yeah, yeah, yeah!

Yeah, yeah, yeah!

Yeah, yeah, yeah!

She's mine! Yeah!

She's mine!

Hands off!

Off!

She's mine!

Yeah, hands off!
