Cool Blue Stole My Heart

Par Joan Armatrading

Album : Love And Affection: The Essential Joan Armatrading

I swear you were not my ambition

A cooling aid was on my mind

I walked up to the bar and I ordered

Then I took my ice outside

I sat down under the hot sun

I looked around at this new land

And then oh

Cool Blue

Long dark

You stole my heart

Stole my heart

I woke up first light next morning

And I took a tram to the Leidse Plein

I hired a bike and I drove around for hours

I was searching for those dark eyes

I made a stop at the Blue Note

I passed up a chance for some good fun

Cause of you

Cool Blue

Long dark

You stole my heart

Stole my heart

Stole my heart

Stole my heart

Stole my heart

I made a stop at the Blue Note

Passed up a chance for some good fun

Looking for you, Cool Blue

Looking for you

Long dark

Cool blue

Looking for you, Cool Blue

Looking For You, Cool Blue

You stole my heart

Stole my heart

Stole my heart

Stole my heart

Stole my heart

I'm looking for you

You stole my heart

Stole my heart

Stole my heart

Stole my heart

Stole my heart

I sat down under the hot sun

You stole my heart

I'm looking for you

Looking for you

Looking for you, Cool Blue
