Fresh Start

Par Joan Jett & the Blackhearts

Album : Greatest Hits

Yeah, yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah

Sometimes I feel like I've been here before

It's like the past knocking on my door

Sometimes I feel like I'm standing still

Or better yet I'm running up a hill

Sometimes I feel like I need a crutch

Sometimes I feel like it's all too much

Sometimes I wonder what are we here for

And if I wanna do it anymore

I need a fresh start, let's go back to the top

Rewind the tape and reset the clock

This time, there's no turning back

Yeah, yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah

So you say you're not satisfied

And you want a bigger piece of pie

Take my advice, don't hesitate

Before you know it it'll be too late

To make a fresh start and go back to the top

Rewind the tape and reset the clock

This time, we're not gonna stop

Just want a fresh start and go back to the top

Rewind the tape and reset the clock

And this time, there's no turning back

(Away!)

Yeah, yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah

Sometimes I feel like I've been here before

It's like the past knocking on my door

Sometimes I feel like I'm standing still

Or better yet I'm running up a hill

Don't wanna hear that you're feeling old

Time to talk, you better search your soul

There's still time for one more dance

We may never get another chance

To make a fresh start and go back to the top

Rewind the tape and reset the clock

This time, we're not gonna stop

Just want a fresh start and go back to the top

Rewind the tape and reset the clock

This time, we're not gonna stop

And this time, there's no turning back

This time, we're not gonna stop

And this time, there's no turning back

This time, we're not gonna stop

And this time, there's no turning back

This time, we're not gonna stop
