I Love You More Than You'll Ever Know (Live)

Par Joe Bonamassa, Beth Hart

Album : Live In Amsterdam (Live)

If I ever leave you, baby
You can say I told you so
And if I ever hurt you
You know I hurt myself as well
Now is that any way for a man

To carry on?

Do you think I want my loved
One gone?
Said" I love you
More than you'll ever know

More than you'll ever know"

When I wasn't making much money
You know where my paycheck went
You know I brought it home to you, baby
I never even spent a red cent

Now is that any way for a woman

To carry on?

Do you think I want my loved one gone?

Said: "I love you

More than you'll

Ever know

More than you'll ever know"

I'm not trying to be

Just any kind of woman

Y'd know I am

I'm just trying to be someone

You can love, trust

And understand

I know, I

That I'd rather to be

A part of you that no one else

Can see

But I gotta hear you say:

" I gotta hear you say:

"It's alright

It's alright

Whaahaa ohh Baby"

I'm only flesh and blood

But I can be the thing that

You demand

I could claim up everything

Or just a tiny grain of sand

Now is that anyway for a man to

Carry on?

Do you think that I want my loved one gone?

Said: "I love you

More than you'll ever know"

Said: "I loved it

I love you

I love you

Love you

More than

You'll ever know

More than you ever know"
