### Up where we belong?

Par Joe Cocker&Jennifer Warnes

*Album : ?????? ?? ?? ?? ? 01??*

Who knows what tomorrow brings

In a world, few hearts survive

All I know is the way I feel

When it's real, I keep it alive

The road, is long

There are mountains, in our way

But we climb a step every day

**Love lift us up where we belong**

Where the eagles cry, on a mountain high

**Love lift us up where we belong**

Far from the world below, up where the clear winds blow

Some hang on to 'used to be'

Live their lives, looking behind

All we have is here and now

All our life, out there to find

The road is long, there are mountains in our way

But we climb them a step every day

**Love lift us up where we belong**

**Where the eagles cry on a mountain high**

**Love lift us up where we belong**

Far from the world we know, up where the clear winds blow

Time goes by

No time to cry

Life's you and I

Alive, today

**Love lift us up where we belong**

**Where the eagles cry on a mountain high**

**Love lift us up where we belong**

Far from the world we know, where the clear winds blow

**Love lift us up where we belong**
