I Like the Rain (stripped)

Par Joe Satriani

Album : Is There Love In Space (stripped)

I'll tell you something.

I'm not one to lie,

but it might leave you feelin' cold. (Feelin' cold)

I've been a sinner

most of my life.

Dear God, have mercy on my soul.

You like the sunshine.

That's not my way.

I need a hurricane

to wash my sins away.

I like the rain...

I like the rain washing over me.

I do my own thing, any old time.

Livin' large, always. (Always)

I'm down and dirty. It's such a crime.

You know some day I'm gonna pay. (Kid)

Now and then I think

I'm really bad.

But then I think of all the good times I've had.

I like the rain...

I like the rain falling down on me.

So come and join me, if you dare.

I'll take you for a little ride. (Little ride)

Could be the last time, I don't really care.

It's just the turning of the tide. (Tide)

The day is coming, just look on high.

My own apocalypse is falling from the sky.

I like the rain...

I love the rain falling down on me.

I love the rain...

I like the rain washing over me.
