Black Sheep

Par John Anderson

Album : Greatest Hits (1984)

My daddy was a brakeman on a highball traveling train

My mama she raised four little children

And the family had a good name

And papa and mama wanted all for us they never had

Big brother, little brother and sister too

None of them turned out half bad

'Cept me

I'm the black sheep of the family

Big brother went to college and became a doctor man

I guess he makes about a million dollars a year

Off of folks on insurance plan

He's got a big long Mercedes Benz and a house overlooking the town

He sits in his Jacuzzi and he watches the sun go down

And he feels real sorry for me

I'm the black sheep of the family

Yeah, I drive me a big ol' semi truck

I'm makin' payments on a two room shack

My wife she waits on tables and at night she rubs my back

And I tell her what my papa said to my mama

When he got off a highball train

Wake me up early, be good to my dogs and teach my children to pray

Little sister married a banker, yeah, he owns a country club

He bought her a big ol' racing horse and a funny lookin' little dog

He buys her big rings and diamonds and a brand new Japanese yacht

They like to get together and talk about all the things they've got

But they never mention me

I'm the black sheep of the family

Yeah, I drive me a big ol' semi truck

I'm makin' payments on a two room shack

My wife she waits on tables and at night she rubs my back

And I tell her what my papa said to my mama

When he got off a highball train

Wake me up early, be good to my dogs and teach my children to pray

I'm saying, woman

Wake me up early, be good to my dogs and teach my children to pray
