Bottle Up and Go (live)

Par John Lee Hooker

Album : King of the Boogie

I used to have a gal, she was little and low

She used to love me but she don't no mo' she just...

Bottle up and go, just bottle up and go

Listen to me tell ya, tell ya, ya Bottle up and go

I went downtown to have a little fun,

Up stepped a sheriff with a big shotgun he said, "Ya Bottle up

Bottle up and go, just bottle up and go

Listen to me tell ya, tell ya, ya Bottle up and go

I know a woman she lives way upstairs

She makes her living by putting on airs, she just...

Bottle up and go, just bottle up and go

Listen to me tell ya, tell ya, ya Bottle up and go

A nickel is a nickel, a dime is a dime

You shake yours and baby I'll shake mine, ya just...

Bottle up and go, just bottle up and go

Listen to me tell ya, tell ya, ya Bottle up and go
