It Serves Me Right To Suffer

Par John Lee Hooker

Album : The Very Best Of John Lee Hooker

It serves me right to suffer

It serves me right to be alone

It serves me right to suffer

It serves me right to be alone

You see I'm living in the memory

Of a day that has passed and gone

Everytime i see a woman

You know it makes me think about mine

Everytime i see a woman

You know it makes me think about mine

You see I'm living in the memory

Of a woman I've left behind

It serves me right to suffer

It serves me right to be alone

It serves me right to suffer

It serves me right to be alone

Now I'm living in the memory

Of a woman that has passed and gone
