Fool's Hall of Fame

Par johnny cash

Album : 100 Hits Legends: Johnny Cash

Well, if I live to be a hundred, I know I can't forget the day

That I broke the heart that you gave me and let you walk away

That's when they hung my name in the fool's hall of fame

Why didn't someone tried to tell me,that I would need you so

'Cause I didn't know that I love you until I let you go

That's why they hung my name in the fool's hall of fame

Baby since we've been apart, I can't console my heart

It cries for you the whole night long

Can I ever make you see the change you've made in me

Honey, let me tell you that I know that I was wrong

Won't you say that you'll forgive me and let me end this misery

'Cause I know I'm gonna keep on a crying 'till you come back to me

Don't leave me here in chains in the fool's hall of fame

Don't leave me here in chains in the fool's hall of fame

Don't leave me here in chains in the fool's hall of fame
