Jackson

Par Johnny Cash & June Carter Cash?Johnny Cash?June Carter Cash

Album : Carryin' on With Johnny Cash & June Carter

We got married in a fever

Hotter than a pepper sprout

We've been talkin' bout Jackson

Ever since the fire went out

I'm going to Jackson

I'm going to mess around

Yeah, I'm going to Jackson

Look out Jackson town

We'll go on down to Jackson

Go ahead and wreck your health

Go play your hand you big talkin' man

And make a big fool of yourself

Yeah, go to Jackson

Go comb your hair

Honey, I'm going to slow ball Jackson

See if I care

When I breeze into that city

People gonna stoop and bow

All them women gonna make me

Teach em' what they don't know how

I'm going to Jackson

You turn and loosen my coat

Cause I'm going to Jackson

Goodbye that's all she wrote

And they'll laugh at you in Jackson

And I'll be dancing on a pony king

They'll lead you around town like a scolded hound

With your tail hung between your legs

Yeah, go to Jackson

You big talkin' man

And I'll be waiting in Jackson

Behind my japan fan

Well now, we got married in a fever

Hotter than a pepper sprout

We've been talkin' about Jackson

Ever since the fire went out

I'm going to Jackson

And that's a fact

Yeah, we're going to Jackson

Ain't never coming back

We got married in a fever

Hotter than a pepper sprout

Honey we've been talking about Jackson
