Since I Met You Baby

Par Johnny Guitar Watson

Album : Johnny Guitar Watson Ain't That a Bitch

IT'S LIKE IM DREAMINx4

STILL CANT GET OVER

THAT U MINE

I CANT BEILEVE IT

EVER SINCE I MET U

IT'S LIKE IM DREAMIN

If I never would left for work late

& Stopped for breakfast

I never would been left breathless

There u were shinin like a necklace

Standing in line

3 hot cakes and coffee iced

Wit ya scrubs on

Looking cute as ever

Playing witcha iphone

Typing on twitter

I would said hi right then

But I got gitters

But it all worked out

No doubt

Fate intervened

And I got our order by mistake

Almost left

But then I paused for a second

Check the bag

And then I turned right back

Thank god for that

Cuz my chance would passed

Right by

Never would had the nerve

To even try

Always been that typical shy guy

Fast forward 1 month

U became mine

U CAN TELL BY ALL MY SONGS

I HAD ALOTTA GIRLS THAT DID ME WRONG

I TOLD SUM CHILL

OTHER ONES CHEATED

WHEN I MET U

THEY ALL GOT DELETED

NO NEED FOR THE GAMES NO LIES

WITCHU I CAN LIVE MY LIFE

ICIBILLET.COM

NO WORRIES

CLEAR SKIES

ALL THE RAIN

DRIED UP THAT'S RIGHT

I FEEL SO LUCKY TO CALL U MY GIRL

YA HOLD ME DOWN

WHEN IM HOLDIN UP THE WORLD

U GOT MY BACK SO I GOT YOURS TOO

WE IN THIS TOGETHER

ANY ENDEAVOR

BUT I HOPE THAT THIS AINT A DREAM

WAKE UP

AND U NOWHERE TO BE SEEN

IM WINNIN

CHARLIE SHEEN

THE KING FINALLY FOUND HIS QUEEN
