Tears on My Pillow (I Can't take It)

Par Johnny Nash

Album : The All Time Greatest World Songs

I can't take it

I'm so lonely

Gee, I need you so

I can't take it

Oh, I wonder why you had to go

But baby

Baby

Every night I wake up crying

Tears on my pillow and pain in my heart

You on my mind

I remember all the good times that we had before

Oh, I remember

And now my heart, my very soul cries out for more

But baby

Baby

All your love for me is dying

Tears on my pillow and pain in my heart

You on my mind

I'll always remember that day you promised to love me

You said you'd love me to the very end

And I'll never forget, I'll never forget when you walked away from me

You walked out of my life with my very best friend

Ooh

Oh, baby

Baby

Every night I wake up crying

Tears on my pillow and pain in my heart

You on my mind

Yeah, tears on my pillow and pain in my heart

You on my mind

I got tears on my pillow

Pain in my heart

You on my mind

I got tears on my pillow

Pain in my heart

You on my mind
