# My Man on a Horse (Is Here)

Par Josh Ritter

*Album : Sermon on the Rocks [Bonus CD]*

Waitin'

I've been waitin'

For the day, the hour, the moment you'd appear

And now just look at you

**My man on a horse is here**

Prayin'

I been prayin'

Though will some say my prayers fall on deaf ears

I never doubted you

**My man on a horse is here**

Hidee-hidee-hidee-hey

Hidee-hidee-hidee-hee

Hidee-hidee-hidee-doo

Come on, come on, come on

Makin'

The best of a bad time

I'm thinkin'

Of you all the damn time

I must love the pain

I keep it all to myself

Sometimes I'm in Heaven, sometimes somewhere else

Honey, please

Come take it away

I can't sleep

It keeps me awake

I can't keep it together

I can't close my eyes

Still I'm breakin' the record

For dreams in one night

And I'm wasted

Wastin'

My bestest love, my Beaujolais, my tears

**You come to save me**

**My man on a horse is here**

**You come to save me**

**My man on a horse is here**
