Fell In Love With A Boy

Par Joss Stone

Album : Joss Stone The Soul Sessions

I fell in love with a boy

Fell in love once and almost completely

He's in love with the world,

But sometimes these feelings can be so misleading

He turns and he says, "Are you alright?"

Oh I must be fine 'cause my hearts still beating,

Come and kiss me by the riverside

Sarah said its cool she don't consider it cheating,

Red hair with a curl

Mellow roll for the flavor and the eyes for peeping

Can't keep away from the boy

The two sides of my brain need to have a meeting

Can't think of anything to do my left brain knows that all love is fleeting

He's just looking for something new

Yeah I said it once before but it bears repeating

(aaaaa,aaaaa,aaaaa,aaaaaaa)

Can't think of anything to do

My left brain knows that all love is fleeting

He's just looking for something new well

I said it once before but it bears repeating

Fell in love with a boy I fell in love once and almost completely

He's in love with the world

But sometimes these feelings can be so misleading

He turns and asks are you alright?

Oh I must be fine because my hearts still beating

Come and kiss me by the riverside

Sarah said it's fine she don't consider it cheating now

(aaaaaaaaa,aaaaaaaaa,aaaaaaaa,aaaaa)

Can't think of anything to do

My left brain knows that all love is fleeting

He's just looking for something new

Well I've said once before but it bears repeating now
