# Hot Rockin'

Par Judas Priest

*Album : Living After Midnight - The Best Of Judas Priest (1998, Epic / Sony, ESCA-7700, Japan)*

I've done my share of workin' out

I wanna go some place where I can scream and shout

Show me the lights, where I can find

The only thing I need to give me peace of mind

**I want to go, I want to go**

**I want to go hot rockin'**

**I want to go, I want to go**

**I wanna go hot rockin'**

Where is the spark that kicks the air?

Where is the energy that charges everywhere?

I see the crowd, I hear the roar

I feel my body start to leave the ground and soar

**I want to go, I want to go**

**I want to go hot rockin'**

**I want to go, I want to go**

**I wanna go hot rockin'**

I'm goin' out in search of the bright lights  
Somehow I feel that tonight is the right night  
I'm almost there, I've got the vibration  
It's coming strong from this generation  
My blood is hot, from now on I'm set free  
My pulse is hot, so don't try to stop me  
'Cause this is it and I'm hot rockin'  
Don't let it stop, don't let it end  
Please let it carry on and on and on again  
I get so high, knocked off my feet, yeah  
This is the only way I want, I want, I want, I want

**I want to go, I want to go**

**I want to go hot rockin'**

**I want to go, I want to go**

**I wanna go hot rockin'**

It's all I want, it's all I crave

I just want to go hot rockin'
