I Gotta Right To Sing The Blues

Par Judy Garland

Album : The Very Best Of Judy Garland - The Capitol Recordings 1955-1965 [Disc 1]

I gotta right to sing the blues

I gotta right to moan inside

I gotta right to sit and cry

Down around the river

A certain man in this little town

Keeps draggin' my poor heart around

All I see for me is misery

I gotta right to sing the blues

I gotta right to moan inside

Right to sit and cry

Down around the river

Soon that deep blue sea

Will be callin' me

It must be love say what you choose

I gotta right to sing the blues

I gotta right to sing the blues

Gotta right to moan and cry

I gotta right to sit and sigh

Down around the river

Soon that deep blue sea

Will be callin' me

It must be love say what you choose

I gotta right to sing the blues

There's nothing left for me

I'm full of misery
