It Never Was You

Par Judy Garland

Album : The Very Best Of Judy Garland - The Capitol Recordings 1955-1965 [Disc 3]

I've been running through rains

And the wind that follows after

For one certain face

And an unforgotten laughter

I've been following signs

I've been searching through the lands

For a certain pair of arms

And a certain pair of hands

Yes, I tried a kiss here

And I tried a kiss there

For when you're out in company

The boys and girls will pair

But it never was you

It never was anywhere you

An occasional sunset reminded me

Or a flower hanging high on a julep tree

Or one red star hung low in the west

Or a heart-break call from a Meadow Lark's nest

Made me think for a moment, maybe, it's true

I found him in the star, in the call, in the blue

But it never was you

It never was anywhere you

Anywhere, anywhere you
