Ev'ry Time We Say Goodbye

Par Julie London

Album : All Through the Night: Julie London Sings the Choicest of Cole Porter

Every time we say goodbye, I die a little

Every time we say goodbye, I wonder why a little

Why the gods above me, who must be in the know

think so little of me that they allow you go

When your near there's such an air of Spring about it

I can hear a lark somewhere begin to sing about it

There's no love song finer but how strange

The change from major to minor

Every time we say goodbye
