Fly Me To The Moon

Par Julie London

Album : The Liberty Years

Fly me to the moon

And let me play among the stars

Let me see what spring is like

On Jupiter and Mars

In another words, hold my hand

In another words, darling, kiss me

Fill my heart with song

And let me sing forevermore

You are all I longed for

All I worship and adore

In another words, please, be true

In another words, I love you

Fill my heart with song

And let me sing forevermore

You are all I longed for

All I worship and adore

In another words, please, be true

In another words, I love you
