Life Is Unfair (And Love Is a Bitch)

Par Junksista

Album : Bad Case of Fabulous (Deluxe Edition)

I don't feel pretty and I don't feel fine

I miss all the things that used to be mine

I don't wanna be me, I wanna be cool

I don't wanna work and I don't wanna go to
school I see happiness but only on TV

Should I still hope, one day it will be me? Why can't I be thin, smart, loved and rich?

'Cuz life is unfair and love is a bitch

'Cuz life is unfair and love is a bitch

I don't feel pretty and I don't feel fine I miss all the things that used to be mine

I don't wanna be me, I wanna be cool

I don't wanna work and I don't wanna go to school

I see happiness but only on TV

Should I still hope, one day it will be me?

Why can't I be thin, smart, loved and rich?

'Cuz life is unfair and love is a bitch

'Cuz life is unfair and love is a bitch

I don't feel pretty and I don't feel fine

'Cuz life is unfair and love is a bitch

I don't want to be me, I want to be cool

Bitch, bitch, bitch, bitch

'Cuz life is unfair and love is a bitch

Should I still hope, one day it will be me?

Bitch, bitch, bitch, bitch
