# DON'T WANNA

Par Justin Bieber & Bakar

*Album : SWAG II*

I don't wanna give a fuck, I know what it should be

I don't wanna mess this up, I don't want you to leave

I don't want you to leave, I don't want you to leave

I don't want you to leave, I know what it should be

I seen her walkin' from a mile, I had to get her

I seen her world in her smile (yeah)

I seen a better life, I hope you don't get fed up

There's certain things you can't buy-uy (no), uh

I, I know you wanna get some, uh

**So tell me where you came from, huh**

I'm runnin' out of patience, uh

**I know we're gonna make it out**

I know you wanna get some, uh (get some)

**So tell me where you came from, huh**

I'm runnin' out of patience, huh

**I know we're gonna make it out**

**I don't wanna give a fuck (no), I know what it should be (oh)**

I don't wanna mess this up (fuck up), I don't want you to leave (oh)

**I don't want you to leave (no), I don't want you to leave (oh)**

I don't want you to leave (oh), I know what it should be (oh)

Yeah, alright

Uh, yeah, uh

I see you holdin' onto things you said that you'd let go

The gloves don't fit you no more, uh, uh, uh

You said that you lost your wings when we broke it off

And now I'm back at your door, uh (yeah, yeah)

I know you wanna wake up, uh (yeah, yeah)

I know you wanna make me proud

I know you wanna say somethin' (say somethin')

**I know we're gonna make it out**

I know you wanna get some (get some, oh yeah)

So tell me where you came from, huh (came from)

I'm runnin' out of patience, huh (patience)

I know we're gonna what it out

**I don't wanna give a fuck (no), I know what it should be (oh)**

I don't wanna mess this up (ooh-ooh-ooh), I don't want you to leave (oh)

**I don't want you to leave (no), I don't want you to leave (oh)**

I don't want you to leave (I don't), I know what it should be (yeah-yeah)

I don't wanna give a fuck (no), I know what it should be (ooh baby)

I don't wanna mess this up (ooh, ooh), I don't want you to leave

I don't want you to leave (yeah, ooh, baby), I don't want you to leave (come on)

I don't want you to leave (hey, hey), I know what it should be

I don't want you to leave (yeah, that was crazy, yeah)
