I THINK YOU'RE SPECIAL

Par Justin Bieber

Album : SWAG II

Ee, ee-ee

Uh-huh, just know you're already forgiven (oh, yeah)

You don't have to go and get it

Take the power you've been given (Ee, ee-ee)

Don't you know that all of us are destined? (Oh, yeah, ooh-woah)

When you heart's leavin' you restless

And your mind keepin' you guessin'

You don't know, know what you get, know what you get

This is for the wrong people makin' the most to

Find out nowhere to run to (Nowhere to run to)

Only way out is the way through

We'll get through anything (Uh)

Breakin' all the rules (Uh)

Like they weren't made for you

Lovers over everything

This just what I believe

Ain't no other love like this

It's the reason you exist

We don't gotta try no, baby

I think you're special

When you wanna find peace (Yeah, you)

You should look inside yourself

Everybody wants somethin' else

I think you're special

Uh, yeah, uh, uh, yeah

I think you're special

Uh, uh

I think you're special

You must be a specialist, there's your messages

Really got me questionin' what my profession is

I just been a lover ever since I let you in

All of us together, I'm in heaven

Good to you, world leader, or just human, we still need you

Either way, the way you fly around

The world's about to find out

This is for the wrong people makin' the most to

Find out nowhere to run to (Nowhere to run to)

Only way out is the way through (Way through)

We'll get through anything (Woah, ooh-woah, oh)

Breakin' all the rules (All the rules, uh)

Like they weren't made for you (For you)

Lovers over everything

This just what I believe (Yeah)

Ain't no other love like this

It's the reason you exist

We don't gotta try no, baby

I think you're special

When you wanna find peace (Uh)

You should look inside yourself (Oh my God)

Everybody wants somethin' else (Somethin' else)

I think you're special

Oh, yeah, baby, yeah, uh

I think you're special

Oh, yes, I do

I think you're special
