One Time

Par Justin Bieber

Album : BRAVO Hits Vol. 67 CD2

Aye, aye, aye, aye

Aye, aye, aye, aye

Me, plus you (I'ma tell you one time)

Me, plus you (I'ma tell you one time)

Me, plus you (I'ma tell you one time)

One time, one time

When I met you, girl, my heart went knock, knock

Now them butterflies in my stomach won't stop, stop

And even though it's a struggle, love is all we got

So we gon' keep, keep climbin' 'til the mountain top

Your world is my world

And my fight is your fight

My breath is your breath

When you're hurt (I got my)

And girl, you're my one love

My one heart

My one life for sure

Let me tell you one time (girl, I love, girl, I love you)

I'ma tell you one time (girl, I love, girl, I love you)

And I'ma be your one guy

You'll be my number one girl

Always making time for you

I'ma tell you one time (girl, I love, girl, I love you)

I'ma tell you one time (girl, I love, girl, I love you, hey)

You look so deep, you know that it humbles me

You by my side and troubles them don't trouble me

Many have called, but the chosen is you

Whatever you want, shawty, I'll give it to you

Your world is my world (your world)

And my fight is your fight (my fight is your fight)

My breath is your breath

When you're hurt (I got my)

And girl, you're my one love

My one heart

My one life for sure

Let me tell you one time (girl, I love, girl, I love you)

I'ma tell you one time (girl, I love, girl, I love you)

And I'ma be your one guy

You'll be my number one girl

Always making time for you

I'ma tell you one time (girl, I love, girl, I love you)

I'ma tell you one time (girl, I love, girl, I love you, hey)

Shawty right there

She's got everything I need

And I'ma tell her one time (one time, one time)

Give you everything you need, down to my last dime

She makes me happy, I know where I'll be

Right by your side, 'cause she is the one for me

And girl, you're my one love

My one heart (yeah, yeah, yeah, yeah)

My one life for sure

Let me tell you one time (girl, I love, girl, I love you)

I'ma tell you one time (girl, I love, girl, I love you)

And I'ma be your one guy

You'll be my number one girl

Always making time for you (making time for you, oh)

I'ma tell you one time (one time)

I'ma tell you one time (one time)

Me, plus you (I'ma tell you one time)

Me, plus you (I'ma tell you one time)

Me, plus you (I'ma tell you one time)

One time, one time
