# KISS!

Par JustSaya

*Album : KISS!*

She wanna kiss, shawty blushing

Darling hold my hand

I'm feeling blessed 'cause we're matchin'

Sippin' purple drank

I'm feeling butterflies when I'm around you

I think you're the one

But you could be my worst heartbreak

Then I'm silent after gun

**She wanna kiss, shawty blushing**

**Darling hold my hand**

**I'm feeling blessed 'cause we're matchin'**

**Sippin' purple drank**

**I'm feeling butterflies when I'm around you**

**I think you're the one**

**But you could be my worst heartbreak**

**Then I'm silent after gun**

Shawty look, yeah I bought you a bouquet of red roses

Yeah I love you darling I hope that you don't mess with my feelings

Saya poppin' methadone when my head is about to explode

I know that you love it when we're driving down the road

You a fiend ain't saying hello

Saya makin' my dinero

But I still feel like a shadow

Im alone I'm hearing echoes

The way she looks at me it is so fucking captivating

Baby I'll buy you the moon yeah I swear

You're the sweetest thing

Sometimes I don't know how to express my romantic feelings

I don't really get your signs yeah it could have so many meanings

Doesn't matter how much I love you

Won't ever tell a secret

I'm just sippin' white wine and i'm staring at my ceiling

**She wanna kiss, shawty blushing**

**Darling hold my hand**

**I'm feeling blessed 'cause we're matchin'**

**Sippin' purple drank**

**I'm feeling butterflies when I'm around you**

**I think you're the one**

**But you could be my worst heartbreak**

**Then I'm silent after gun**

**She wanna kiss, shawty blushing**

**Darling hold my hand**

**I'm feeling blessed 'cause we're matchin'**

Sippin' purple drank

I'm feeling butterflies when I'm around you

I think you're the one

But you could be my worst heartbreak

Then I'm silent after gun
