Close To Your Heart

Par JX

Album : Close To Your Heart

I feel so alive with you

Makes me feel so fine

But all the miles you moved

Baby, I'm close to your heart

I feel this way with you

Makes me feel so free

All the trials have proved to move you

Baby, closer to me

This room is laced with memories

And in my mind I'm ...

Ain't no room for emptyness

And more or less it's over

Uuuuuh... uuuuuuuuh
