I ain't gon' lie, seen you sober in a minute

Every time I see you in the club, it's a guillotine

Walk in this bitch like Wolverine

Ice on me, like I'm Lord of the Rings

Yeah, I'm so dumb — I just start speak like this

???? ??????????, ????, toxic like this

You ain't wanna talk, talk, talk, talk shit like this

Goin' up, up, up, up, like it's just a dream (Yeah)

Uh, ain't gettin' fly (Huh), fly gets me, huh, u-uh

Great Gatsby, maybe she's fine

But she fake sexy, when she in car

She knows it's Fake Taxi, she knows it's Fake Taxi (Oh, oh, oh)

Yeah, can't keep up with my schemes even on five

She leave everything so clean, but I'm not sure

I told her to just like leave me 'cause I don't know

I see the darkness, believe in me more and more
