Album : It's Getting Harder to Sleep Now (feat. Lil Skele & Yung Axstn)

I saw you in the back an'

I did a little too much then

It's gettin' harder to sleep now

Really wishing that I could be real now

I saw you in the back an' (back an')

I did a little too much then (much then)

It's gettin' harder to sleep now (it's gettin' harder to sleep now)

Really wishing that I could be real now

I saw you in the back an' (back an')

I did a little too much then (much then)

It's gettin' harder to sleep now (it's gettin' harder to sleep now)

Really wishing that I could be real now

Snow on her dress, watch us fade, yea

Snow on her chest, heartbreak, yea

She told me we should take a break, yea

I'm lookin' at my phone

Dumb, stressed out, and I feel all alone

Don't try to use your dome

If I break out, I just hope I go home

Stressed out in the back, so I'm sipping on crone

Yeah, took a lil' too much

I be moving slow, shawty, I ain't in a rush

Yeah, blacked out in the back seat

I'm a lil' too fucked if you ask me

Yeah, it's like bury me in Louis V

I been hella faded, my eyes getting hazy

Yeah, I'on love that bitch since she crazy

Yeah, I'on leave the house up by my lonely

I don't pick up the phone when it's ringing

Bumping DG, got my wrist on icy

Feel like guitarboi, sipping on the peace tea

I been steady stacking bands, I got the money (what am I?)

The nicotine helps me get over

I'm not your friend, you're never sober (sober)

My girl, yeah, she wants me over (wants me over)

I feel the same, just wish we were closer

Now if you don't mind

I'll be back in a bit (I'll be back in a bit)

'Cause the shit in my head

Makes me wanna quit (makes me wanna quit)

I'm sorry that I can't be there

And I know that you want me right there

And I'm sorry that I can't be there

Miss me all the time, I just wish I was right there

I saw you in the back an' (back an')

I did a little too much then (much then)

It's gettin' harder to sleep now (it's getting harder to sleep now)

Really wishing that I could be real now

I saw you in the back an' (back an')

I did a little too much then (much then)

It's gettin' harder to sleep now

Really wishing that I could be real now
