# I Want More

Par Kaleo

*Album : Kuschelrock - Vol. 34*

Home grounds

Feels like the weight has been lifted away

But if she leaves me there, I won't run

Please pass it on

Carry me down

All you need to know is I want more

More

**Looking for more**

**I want more**

**'Cause I want more**

So light, hold back the night, wait until it's right

But then you fold your hand into mine

Watch as the waves, fall back into place

Just don't you leave me there wanting more

More

Like before, more

**I want more**

**'Cause I want more**

Turn back

Leave all you had

Forgive, I'll forget

'Cause what we need is what we once had

Time won't stand still

Just say you will

Because I need you there

And if you leap I'll come falling too

Running deep till the rivers through

I don't mind what you have to do

'Cause I won't think less, less of you

Yes, I want more

More

**Looking for more**

**I want more**

**'Cause I want more**

Old grounds, feels like the weight has been lifted away

So don't you leave me there wanting more
