06 - I'm In It

Par Kanye West

Album : Yeezus

Damn your lips very soft

As I turn my Blackberry off

And I turn your bath water on

And you turn off your iPhone

Careless whispers, eye fucking, biting ass

Neck, ears, hands, legs, eating ass

Your pussy's too good, I need to crash

Your titties, let 'em out, free at last

Thank God almighty, they free at last

We was up at the party but we was leavin' fast

Had to stop at 7-Eleven like I needed gas

I'm lyin', I needed condoms, don't look through the glass

Chasin' love, all the bittersweet hours lost

Eatin' Asian pussy, all I need was sweet and sour sauce

Tell your boss you need an extra hour off

Get you super wet after we turn the shower off

That's all dem can do (Say wah, say wah)

That's all dem can do

We deal with action ting

Just a badman ting, a' dat man do

Action thing yo' a badman thing

I'm a badman if you know say

Disrespect we no tek, no way Jose

Try that 'pon February the 30th

That's right, couldn't try that no day

When we roll 'round 'pon your block

Nuh badda fi say we won't spray, like a aerosol can

When we roll 'round 'pon your block

Nuh badda fi say we won't spray, like an aerosol can

We agon' smile 'pon court day

Because we beat murder charge like O.J.

That's right I'm in it

(Should've known I would fall)

I'm in it

(Stepping on cracks on the floor)

That's right

(And boys at your door)

That's right I'm in it

(Well you need to fight for your own)

That's right I'm in it

(Then don't let me at your table)

I'm in it

(If you just gonna lay there) damn right

Fist jumps in the air, you love flame wars

I'll be gone long, grab that ass, stretch your clothes

Uh, picked up where we left off

Uh, I need you home when I get off

Uh, you know I need that wet mouth

Uh, I know you need that reptile

Uh, she cut from a different textile

Uh, she love different kinds of sex now

Uh, black girl sippin' white wine

Put my fist in her like a civil rights sign

And grabbed it with a slight grind

And held it 'til the right time

Then she came like aaaaaaah!

That's why I'm in it and I can't get out

(That's all dem can do) say wah, say wah

That's why I'm in it and I can't get out

(That's all dem can do)

We deal with action ting

'Cause a badman thing, a' dat man do (That's right I'm in...)

I'll be gone long, grab that ass, stretch your clothes

Say you long for me, for you

Lay it off with all your rules

Star fucker

Star fucker

Star fucker

Who, where?

Time to take it too far now

Uh, Michael Douglas out the car now

Uh, got the kids and the wife life

Uh, but can't wake up from the night life

Uh, I'm so scared of my demons

Uh, I go to sleep with a nightlight

Uh, my mind move like a Tron bike

Uh, pop a wheelie on the Zeitgeist

Uh, I'm finna start a new movement

Uh, being led by the drums

Uh, I'm a rap-lic priest

Uh, getting head by the nuns

Uh, they don't play what I'm playin'

Uh, they don't see what I'm sayin'

Uh, they be balling in the D-League

Uh, I be speaking Swaghili
