# Breathing

Par Kate Bush

*Album : Kate Bush Never for Ever*

Outside

Gets inside, ooh-ooh-ooh

Through her skin

I've been out before, but this time it's much safer in

Last night

In the sky, ooh-ooh-ooh

Such a bright light

My radar send me danger

But my instincts tell me to

Keep breathing

**Out, in, out, in, out, in**

Breathing

**Breathing my mother in**

**Breathing my beloved in**

Breathing, breathing her nicotine

Breathing

**Breathing the fall-out in, out in, out in, out in, out in**

We've lost our chance

We're the first and last, ooh-ooh-ooh

After the blast

Chips of plutonium are twinkling in every lung

I love my beloved, ooh-ooh-ooh

All and everywhere

Only the fools blew it

You and me knew life itself is breathing

**Out, in, out, in, out, in**

Breathing

**Breathing my mother in**

**Breathing my beloved in**

Breathing, breathing her nicotine, breathing

**Breathing the fall-out in, out in, out in, out in, out in**

Out in, out in, out in, out

Out, out, out, out

**(What are we going to do without?)**

Oh, please

**(What are we going to do without?)**

Oh, let me breathe

**(What are we going to do without?)**

Quick, breathe in deep

(We are all going to die without)

**Oh, leave me something to breathe**

**(What are we going to do without?)**

**Oh, leave me something to breathe**

(We are all going to die without?)

Oh God, please leave us something to breathe

**(What are we going to do without?)**

Oh, life is
