I Don't Love You

Par Kayleigh Rose

Album : I Don't Love You

I feel the ice cracking every time I kiss you

My heart isn't beating as fast as it used to

I'm giving up on you I know it hurts but it has to change

I'm giving up on me there can't be love if there's so much pain

And I'm sick and I'm tired of these feelings and desires that are in the way of pulling us apart

And I don't love you

But I know you love me

And you know you're wonderful

It's too much to handle

The air leaves my lungs as the words cut my tongue and I'm sorry that it doesn't make sense

But I don't love you

I don't want to

Why is my heart so hollow when yours is filled with our love

I don't want see you fall but loving you is hard enough

I'm giving up on our dreams you and I both know they won't come true

I'm giving up on what it seems a game we both play but I always lose

I toss and I turn as I melt and I burn as you haunt from the inside out

And I don't love you

But I know you love me

And you know you're wonderful

It's too much to handle

The air leaves my lungs as the words cut my tongue and I'm sorry that it doesn't make sense

But I don't love you

I don't want to
