Album : The Best Of [Deluxe Edition]

I hope all my days will be lit by your face

I hope all the years will hold tight our promises

I don't wanna be old and sleep alone

An empty house is not a home

I don't wanna be old and feel afraid

I don't wanna be old and sleep alone

An empty house is not a home

I don't wanna be old and feel afraid

And if I need anything at all

Oh, Ah, Oh

I need a place that's hidden in the deep

Where lonely angels sing to you sleep

Though all the world is broken

I need a place where I can make my bed

A lover's lap where I can lay my head

'Cause now the room is spinning

The day's beginning
