### Party Girl

Par Kee Nola

*Album : It's Not You*

Swerving off the drugs causing mayhem

I can't shake the demons goddamn

When I gaze in her eyes I awake them

Look in the mirror every day and say I hate him

Yuh cause I gave my heart to a party girl

Cause I gave my heart to a party girl

Yeah cause I gave my heart to a party girl

Yeah cause I gave my heart to a party girl

Drugs

She love the drugs

She never call back

When she hang up

I never gave a shit

Or gave a fuck

But then I fucked up

When I fell in love

Never loafin I keep a toaster

But I'm still feeling hopeless and fucked over

I could have the whole world and still feel nothing

I'll just be a sad boy in a Range Rover

They say goddamn that shit sad

As fuck

I don't give a fuck haters mad

As fuck

I don't give a fuck if she bad

As fuck

I'll never trust

Again

The fuck

**But then I gave my heart to a party girl**

**But then I gave my heart to a party girl**

**But then I gave my heart to a party girl**

**But then I gave my heart to a party girl**
