Dirty Picture (ft. Taio Cruz)

Par Ke\$ha

Album : K\$

I could dream of ways to see you

I could close my eyes to dream

I could fantasize about you

Tell the world what I believe

But whenever I'm not with you

It's so hard for me to see

I need to see a picture of you

A special picture just for me, yeah

So take a dirty picture for me

Take a dirty picture

Just take a dirty picture for me

Take a dirty picture

Just send the dirty picture to me

Send the dirty picture

Just send the dirty picture to me

Send the dirty picture

Snap.

Uh.

Whenever you are gone, I just wanna be wit ya

Please don't get me wrong, I just wanna see a picture

Take a dirty picture for me

Take a dirty picture

Take a dirty picture for me

Take a dirty picture

Whenever you are gone, I just wanna be wit ya

Please don't get me wrong, I just wanna see your picture

Take a dirty picture for me

Take a dirty picture

Take a dirty picture for me

Take a dirty picture

The dream of ways to see you

I could close my eyes to dream

Fantasize about this with you

But the way is never seen

Take a dirty picture for me

Take a dirty picture

Take a dirty picture for me

Take a dirty picture

Just send the dirty picture to me

Send the dirty picture

Send the dirty picture to me

Send the dirty picture
