# When You Say Nothing At All

Par Keith Whitley

*Album : Lifetime Of Country Romance*

It's amazing how you can speak right to my heart

Without saying a word, you can light up the dark

Try as I may I could never explain

What I hear when you don't say a thing

**The smile on your face lets me know that you need me**

**There's a truth in your eyes saying you'll never leave me**

**A touch of your hand says you'll catch me if ever I fall**

Now you say it best when you say nothing at all

All day long I can hear people talking out loud

But when you hold me near, you drown out the crowd

Old Mr. Webster could never define

What's being said between your heart and mine

**The smile on your face lets me know that you need me**

There's a truth in your eyes saying you'll never leave me

A touch of your hand says you'll catch me if ever I fall

Yeah, you say it best when you say nothing at all

The smile on your face lets me know that you need me

There's a truth in your eyes saying you'll never leave me

A touch of your hand says you'll catch me if ever I fall

Yeah, you say it best when you say nothing at all
