More Than Friends (Extended Mix)

Par Kelli-Leigh, James Hype

Album : More Than Friends EP

I often tell myself that we could be more than just friends

I know you think that if we move too soon it will all end

I live in misery when you're not around

I won't be satisfied till we're taking those vows

What's it gonna be 'cause I can't pretend

Don't you wanna be more than friends?

Hold me tight and don't let go

Hold me tight and don't let go

What's it gonna be 'cause I can't pretend

Don't you wanna be more than friends?

What's it gonna be 'cause I can't pretend

Don't you wanna be more than friends?

Hold me tight and don't let go

Hold me tight and don't let go

Hold me tight and don't let go

Hold me tight and don't let go

Hold me tight and don't let go

I often fantasize the stars above are watching

They know my heart, it speaks to yours like only lovers do

If I could wear your clothes I'd pretend I was you

And lose control

There'll be some love makin', heart breakin', soul shakin' love

Love makin', heart breakin', soul shakin'

What's it gonna be 'cause I can't pretend

Don't you wanna be more than friends?

What's it gonna be 'cause I can't pretend

Don't you wanna be more than friends?

(Hold me tight and don't let go)

Runnin' in and outta life

Has got me so confused

We gotta make a sacrifice

Somebody's gotta choose

We can make it if we try

For the sake of you and I

Together we can make it right

What's it gonna be 'cause I can't pretend

Don't you wanna be more than friends?

Hold me tight and don't let go

Hold me tight and don't let go

Hold me tight and don't let go

What's it gonna be?
