Par Kelvyn Boy

Album : Afrobeat Mix??

Ladies, and gentle men

Finally, I see your face

Oh, my days

I been out here looking for you for days

I just want to say

My, my head

You dey for my head

I no fit to reset, I no fit to connect

Wetin dey your back

Say make I defend

I no fit to defend even if I play defense o

I want to comport myself, I can't

I fall for you down flat, I fall for you down flat o

Na who no know go know you bad

I swear, I swear you bad

I swear, I swear you bad

No do me long thing, something wicked dey for your body now

Oh-na-na, na-na-na-na-na

I dey for the mountain waiting, yeah for so long

Oh-na-na-na-na-na

My head, you dey for my head

I no fit to reset, I no fit to connect

Wetin dey your back say make I defend

I no fit to defend even if I play defense o

I want to comport myself, I can't

I fall for you down flat, I fall for you down flat o

Na who no know go know you bad

I swear, I swear you bad

I swear, I swear you bad oo
