### As I Am

Par Kim Boyce

*Album : As I Am*

When people throw sticks and stones

And they say I don't belong

**You love me as I am**

When courage is hard to find

And I don't have the strength to try

**You love me as I am**

As I am in all my weakness

As I am in all my faults

You come running like my champion

Just to love me as I am.

When envy invades my heart

And tears it all apart

**You love me as I am**

When forgiving is hard to do

When I lose sight of you

**You love me as I am**

Somehow you see the best in me

When I just see the worst

Your faith in me is amazing

It's more than I deserve
