# Fallen Angel

Par King Crimson

*Album : Official Bootleg: Live in Chicago, June 28th, 2017*

Tears of joy at the birth of a brother

Never alone from that time

16 years through knife fights and danger

Strangely why his life, not mine

Westside skyline crying

Fallen angel dying

Risk a life to make a dime

Lifetimes spent on the streets of a city

Make us the people we are

Switchblade stings in one-tenth of a moment

Better get back to the car

Fallen angel

Fallen angel

Fallen angel

## Fallen angel

Westside skyline crying for an angel dying

Life expiring in the city

Snow white side streets of cold New York City

Stained with his blood, all went wrong

Sick and tired blue wicked and wild

God only knows for how long

## Fallen angel

## Fallen angel
