# Sure Know Something

Par Kiss

*Album : KISS Symphony? Alive IV*

I've been up and down, I've been all around

I was mystified, almost terrified

But late at night I still hear you

Call my name

I've been on my own, I've been all alone

I was hypnotized, I felt paralyzed

But late at night I still want you

**Just the same**

**I've been a gambler, but I'm nobody's fool**

**And I sure know something**

**Sure know something**

**You showed me things they never taught me in school**

**And I sure know something**

**Sure know something**

**No one can make me feel the way that you do**

And I sure know something, aha

I was seventeen, you were just a dream

I was mesmerized, I felt scared inside

You broke my heart and I still can

Feel the pain

**I've been counted out, I've had fear and doubt**

**I've been starry eyed, never satisfied**

**Cause late at night I still need you**

**Just the same**

**Just the same**

**I've been a gambler, but I'm nobody's fool**

**And I sure know something**

**Sure know something**

**You showed me things they never taught me in school**

**And I sure know something**

**Sure know something**

**No one can make me feel the way that you do**

**And I sure know something**

Aha

**I've been counted out, I've had fear and doubt**

**I've been starry eyed, never satisfied**

**Cause late at night I still need you**

**Just the same**

**Just the same**

**I've been a gambler, but I'm nobody's fool**

**And I sure know something**

**Sure know something**

**You showed me things they never taught me in school**

**And I sure know something**

**Sure know something**

**No one can make me feel the way that you do**

**And I sure know something**

**Sure know something**

No one can tell me till I hear it from you

**And I sure know something**

**Sure know something**
