Par Kodak Black feat. XXXTENTACION

*Album : Project Baby 2: All Grown Up (Deluxe Edition)*

Aye, everything be like, off the top these days like

These days, I don't even know what a pad is these days, you know?

F- that hoe 'cause she a nat nat

**You ain't the one for me, baby**

**You ain't got sh- I need**

**You want me to take my time with you**

Well maybe I'm not your speed

**Maybe I'm out your league**

**You ain't even got no cheese**

**Maybe I'm just too G for you**

Or maybe I'm just too street

I can't even roll in peace (why)

Everybody notice me (yeah)

I can't even go to sleep (why)

I'm rolling on a bean (yeah)

They tried to give me eight

Got on my knees like, "Jesus please"

He don't even believe in Jesus

Why you got a Jesus plead?

If you wanna leave just leave

But you ain't gotta lie to me

Even the blind can see

That you ain't gon' ride for me

You ain't even showing me the love you say you got me for

## **There ain't no loyalty, you lied to me**

You said that you gon' ride for me

Baby that's blasphemy, yeah

Baby you're bad for me, yeah

Say you gon' clap for me, yeah

Say you gon' blast for me, yeah

Why you ain't show me none of the love you say you have for me, yeah

I was goin' through tragedy

I needed you drastically, yeah

I'ma just switch my flow up, yeah

Maybe I'm sick, no throw up, yeah

Maybe I'm sick, no check up, yeah

Boy, you need to run your check up, yeah

I'm eatin' on you n-, no ketchup, yeah

I'm eatin' on you n-, can't catch up, ayy

Hit her face down with her - up, ayy

Even when I'm f-ing, I'm masked up, ayy

## **You ain't the one for me, baby**

## **You ain't got sh- I need**

## **You want me to take my time with you**

Well, maybe I'm not your speed

Maybe I'm out your league

You ain't even got no cheese

Maybe I'm just too G for you

Or maybe I'm just too street

I can't even roll in peace (why)

Everybody notice me (yeah)

I can't even go to sleep (why)

I'm rolling on a bean (yeah)

They tried to give me eight

Got on my knees like, "Jesus please"

Even the blind can see (what?)

## That you ain't gon' ride for me

You ain't even showing me the love you say you got for me

## There ain't no loyalty, you lied to me

And you say that you gon' ride for me

I ain't gon' do the n- sh- 'cause I'm too good for features, huh

I ain't gon' f- your n- b- 'cause I know she a eater, huh

Last time I wifed a b-, told the world I beat her, huh

When they locked Lil Kodak up, my n-, I couldn't believe it, huh

Ayy lil' shorty, pop my whoady

Pockets on Pinocchio, poking yuh

Hit her from the back, damn that bi- bleeding

Said I knocked her period on

Remember when I had that poker, huh

Instead of looking over my shoulder, huh

Forcing with a n-, no Yoda

That mean a young n- got what on me?

## You ain't the one for me, baby
