# CAT IS BAE

Par KOKAYNA

Album : WELCOME 2 ART

Lames, lames, go away

Cat is bae and you can't stay

Cat is bae, cat is bae

You can try to be the one

But you're not nearly half as fun

'Cause cat is bae, cat is bae

Cat is bae and you can't stay!

Try again another day!

My mind isn't gonna change

But I really like to say

You don't have what I require!

You have nothing I desire!

Give it up! Go retire!

You could never light my fire!

**Lames, lames, go away**

**Cat is bae and you can't stay**

**Cat is bae, cat is bae**

**You can try to be the one**

**But you're not nearly half as fun**

**Cat is bae, cat is bae**

**Cat is bae, cat is bae**

**Cat is bae, cat is bae**

Cat is bae, you'll never be

You'll never be good enough for me!

Baby, baby, can't you see?

For you, I am too kawaii

Kawaii? You're kawai-ew

Want nothing to do with you!

I'll gladly stay in my bedroom

With my cat, 'cause he's so cute!

**Lames, lames, go away**

**Cat is bae and you can't stay**

**Cat is bae, cat is bae**

**You can try to be the one**

**But you're not nearly half as fun**

**'Cause cat is bae, cat is bae**

**Cat is bae, cat is bae**

**Cat is bae, cat is bae**

**Meow, meow, mew, mew**

**Kitty cat is bae and boo**

**Meow, meow, mew, mew**

**Kitty cat is bae and boo**

**Meow, meow, mew, mew**

**Kitty cat is bae and boo**

**Meow, meow, mew, mew**

**Kitty cat is bae and boo**

**Lames, lames, go away**

**Cat is bae and you can't stay**

**Cat is bae, cat is bae**

**You can try to be the one**

**But you're not nearly half as fun**

**'Cause cat is bae, cat is bae**

Lames, lames, go away

Cat is bae, cat is bae

Lames, lames, go away

Cat is bae, cat is bae

Cat is bae, cat is bae

Cat is bae, cat is bae

Cat is bae
