FUCK PRINCESS

Par KOKAYNA

Album : ? G O D D E S S ?

Kokayna's on the track

I'm ready to attack

You when you take me back

To your bedroom to smash

I'm like a kitty cat

I'll drink the milk and let

You pick me up and pet

Me and I'll leave you scratched

All on your back and legs

And when you see the red

You'll call me up and beg

Me to come back to bed

I like playing with your head

I'll ask you what you said

I wanna hear it again

"Kokayna, you're the best!"

I'm your little

Fuck fuck fuck fuck fuck fuck fuck fuck

Fuck fuck fuck fuck fuck princess

Fuck fuck fuck fuck fuck fuck fuck fuck

Fuck fuck fuck fuck fuck princess

Fuck fuck fuck fuck fuck fuck fuck fuck

Fuck fuck fuck fuck fuck princess

Fuck fuck fuck fuck fuck fuck fuck fuck
