Naive (Alternate Version)

Par Kooks

Album : The Best Of... So Far

I'm not saying it was your fault

Although you could have done more

Oh you're so naïve yet so

How could this be done

By such a smiling sweetheart?

Oh and your sweet and pretty face

In such an ugly way

Something so beautiful

Oh, that everytime I look inside

I know she knows that I'm not fond of asking

True or false, it may be

Well, she's still out to get me

And I know she knows that I'm not fond of asking

True or false, it may be

She's still out to get me

I may say it was your fault

Because I know you could have done more

Oh you're so naïve yet so

How could this be done

By such a smiling sweetheart?

Oh, and your sweet and pretty face

In such an ugly way

Something so beautiful

Will die everytime I look inside

I know she knows that I'm not fond of asking

And true or false, it may be

Well, she's still out to get me

And I know she knows that I'm not fond of asking

True or false, it may be

She's still out to get me

Ooh

So how could this be done

By such a smiling sweetheart?

Oh you're so naïve yet so

It's such an ugly thing

Someone so beautiful

Oh, die everytime you're on his side

I know she knows that I'm not fond of asking

True or false, it may be

Well, she's still out to get me

And I know she knows that I'm not found of asking

True or false, it may be

She's still out to get me

Just don't let me down

Just don't let me down

Hold on to your kite

Just don't let me down

Just don't let me down

Hold on to your kite

Just don't let me down

Just don't let me down

Hold on to this kite

Just don't let me down

Just don't let me down
