Too Hot

Par Kool & the Gang

Album : Too Hot

At 17, we fell in love

High school sweethearts

Love was so brand new

We took the vows of man and wife

Forever, for life

I remember how we made our way

A little patience

The time we prayed

Can't imagine that this love is through

Feelin' the pain, girl

When you lose

Oh, it's too hot (too hot), too hot (too hot), lady

Gotta run for shelter

Gotta run for shade

It's too hot (too hot), too hot (too hot), lady

We gotta cool this anger

What a mess we made

So long ago

You were my love

Oh, my love

Flyin' high, we never took the time

To stop and feel the need

Funny how those years go by

Changing you, changing me

I remember love's fever

In our hearts, girl

And in our minds

Can't imagine that this love is through

Feeling the pain, girl when you lose

Oh, it's too hot (too hot), too hot (too hot), lady

Gotta run for shelter

Gotta run for shade

It's too hot (too hot), too hot (too hot), lady

Gotta cool this anger

What a mess we made

So long ago you were my love

Feeling the pain

Oh, oh, it's too hot (too hot), too hot (too hot), lady

Gotta run for shelter

Gotta run for shade

It's too hot (too hot), too hot (too hot), lady

Gotta cool this anger

From this mess that we've made

It's too hot (too hot), too hot (too hot), lady

Gotta run for shelter

Gotta run for shade

It's too hot (too hot), so so hot (too hot), lady

Gotta cool this anger

Oh, I've gotta cool this mess we've made

It's so, so hot, baby (too hot)

Yes, it's so hot (too hot)

I just can't take it

I can't stand no more baby

We were once lovers (too hot)

We took our vows (too hot)

Of man and wife, forever

Whoa (too hot, too hot)

Baby, (too hot) please won't you listen (too hot)

It hurt me so bad

Well, I know I've got to leave

(Too hot) too hot (too hot)

Gotta run for shelter, baby

Gotta run for shade

Too hot (too hot)

It's so, so hot baby (too hot)

Gotta cool this anger

Gotta cool this mess we made

It's so warm (too hot)

So warm (too hot)

It's hot baby, yeah

So long (too hot)
